**RE: Ground Water Permit No. G4-30170P
TEMPORARY CHANGE AUTHORIZATION**

In accordance with the provisions of Section 90.03.390 and 90.44.020 of the Revised Code of Washington (RCW), this letter is a **TEMPORARY CHANGE AUTHORIZATION** which is issued subject to the following limitations and provisions:

1. The priority date of this **TEMPORARY CHANGE AUTHORIZATION** is February 23, 1990.
2. The well authorized (655 feet deep) is located approximately:

500 feet west and 300 feet south from the northeast corner of Section 31, being within the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 31, T. 10 N., R. 22 E.W.M. in Yakima County.
3. Under this authorization, water is to be used for compaction, dust control and related construction activities for the Snipes Mountain Landfill closure construction, which will be carried out at the landfill site, generally located within the SE $\frac{1}{4}$ of Section 30, T. 10 N., R. 22 E.W.M.
4. The amount of water used for construction purposes shall be calculated by recording the number and volume of tank fillings, or by metering the well discharge. Daily volumes of water withdrawn shall be recorded and provided to the department on a monthly basis (near the first of each month). Each report shall reference Permit No. G4-30170P.

5. The current installed pump capacity is approximately 300 gpm, which will adequately serve the purposes of the temporary project. The expected total usage is approximately 1.2 million gallons, or 3.7 acre-feet, which is authorized for temporary project purposes. The department should be contacted if usage is expected to exceed these estimates. All amendments to this authorization will be in writing.
6. The authorized total quantity withdrawn from the well between this TEMPORARY CHANGE AUTHORIZATION and the regular Permit No. G4-30170P shall not exceed 420 gpm and 162 acre-feet per year. All other provisions and restrictions of Permit No. G4-30170P shall apply, including regulation to protect pre-existing water rights if necessary. It is noted that no other uses of the well under Permit No. G4-30170P are contemplated for the duration of this temporary authorization.
7. All requirements specified by WAC 173-160 shall apply to this well.
8. This TEMPORARY CHANGE AUTHORIZATION will remain in effect until July 1, 1994 unless further extended in writing or sooner revoked.

Sincerely,

Doug Clausing, Section Manager
